

Medical Assisting Practicum Onboarding Requirements

All students must complete the following by the end of Week 2 of the Spring Semester:

- **Student Health Requirements**
- **Background Check**
- **Drug Screen**

Completion of these requirements is **mandatory for practicum placement**. Missing or incomplete requirements may delay your placement.

What You Need to Do

Specific instructions, forms, and requirements will be provided at student orientation and through your Lakeland email. Begin completing the requirements as soon as you receive the information.

Questions & Documentation

All documentation and questions regarding these requirements should be directed to:

Gail Graham – Health Services
